**MOTION OF THE
NATIONAL ASSOCIATION OF LETTER CARRIERS, AFL-CIO FOR ACCESS TO
NONPUBLIC MATERIALS**

Pursuant to 39 C.F.R. §3007.50, the National Association of Letter Carriers, AFL-CIO (“NALC”) hereby requests access to two sets of nonpublic materials provided to the Commission by the United States Postal Service (“USPS”): (1) USPS-FY16-NP13, a non-public library reference filed by the United States Postal Service (“USPS”) in Docket No. ACR 2016 on December 29, 2016; and (2) material related to demand analyses for competitive categories of mail, updated with FY 2016 volume and price data, submitted by USPS to the Commission in a January 23, 2017 letter (hereafter, “competitive mail demand analyses”). NALC has conferred with USPS regarding this request and represents to the Commission that USPS has no objection to the instant motion.

NALC, which serves as the collective bargaining representative of city letter carriers employed by USPS, seeks these materials for its outside consultants to assist in making informed and meaningful comments in Docket No. ACR2016 and other matters pending before the Commission.

The individuals to whom NALC plans to provide copies of USPS-FY2016-NP13 and the competitive mail demand analyses are individuals who are serving as consultants to NALC.

They are:

John D. Waller, Economic Postal Consultant

Charles C. McBride, Postal Consultant

Robert Cohen, Postal Consultant

R. Kevin Harle, Economic Consultant

Attached are executed declarations by these individuals committing to their compliance with the terms of the protective conditions established by the Commission to limit the disclosure and use of the non-public material.

February 9, 2017

Respectfully submitted,

/s/ Peter D. DeChiara
